About Us

"Hiralal Mazumdar Memorial College for Women, Dakshineswar amid several premier institutes in and around Kolkata, has emerged as a centre of learning experience with a difference. Re-Accredited as a A+ graded College in 2023 by NAAC (3rd cycle), we are now striving for excellence and to elevate ourselves further. We aim to transform the institution into a hub of emancipation for the girls who flock to the campus from adjoining suburban and rural belts of Hooghly, Howrah and North 24 Parganas.

The idea of imparting education to the women folk of the area was conceived nearly six decades ago in 1959. The road ahead was bumpy, clouded with challenges; yet our zeal to strive for a noble cause continued unabated, with the dream of elevating the college at least to the state level. We embraced the ideals of discipline, determination and dedication as basic principles that would not only help students to spread the wings of their desire but also gradually guide us to the path of perfection with honesty, integrity and humility. Our mission is to educate, empower and emancipate in compliance to the needs of the society. We are keen on grooming students in application oriented need based learning to improve their cognitive ability beyond the norms of classroom teaching. A resourceful automated library equipped with technological facility in addition to seminar libraries attached to each department is an added advantage for academic pursuit of students. Organizing seminars, both national and international, quiz contests, debates, "Saraswat Charchachakra", an academic club, You Tube lectures, academic resource bank, LMS are steps to sustain the academic ambience in the college. Principal of the College provides her sincere and able guidance to both the academic wing and the administrative wing and acts as the guardian of the beloved students. The teachers of the College are dedicated, sincere and cordial. During COVID-19 Pandemic crisis teachers have tried hard to be in touch with their students through online mechanism for academic and psychological relief. Many of our students are obtaining first class marks and getting admission in reputed universities. We offer various certificate courses and add on courses to equip our students with additional skills enabling them to compete in the global job market with more confidence. Yoga and meditation course, Self-defense course etc. approved by West Bengal State University help us to groom our students with all potential, to make them capable to combat challenges by using their strength. Even during pandemic around 200 students could find employment in several private and government sectors and the rate of students' progression to higher education is quite high. We have collaboration with different institutes, Colleges, universities, NSS, NCC units for enriched academic experience. Access to NPTEL lectures, around 1 lac e-journal and 6000 e-books through NLIST, collaboration with local libraries for helping students to get access to numerous books at their convenient time maintain our academic integrity.
