WELCOME TO THE COLLEGE CAMPUS

The sprawling campus of Hiralal Mazumdar Memorial College for Women is one aspect that sets it apart from other Colleges in the region. The green open land space is an oasis amid the five buildings of the College. Students of the College bring the campus to life and make it vibrant. Our students and staff retain a strong sense of fraternity with our neighboring community and thus our students learn to be responsible citizens of India. The openness of the campus creates a relaxed ambience. The campus has a real sense of energy, vigorous intellectual life which lies at the heart of our academic departments. Along with regular academic exercises, public lectures, plays, concerts, sports, educational tours, open days and several other outreach events are held throughout the year, to keep the campus buzz with life. Kitchen Garden, Orchid House, Butterfly Garden, Orchard, Rain Water Harvesting and Vermicompost Mechanisms, Open Stage, Smart Class Rooms, ICT enabled seminar halls, playground etc. are the precious stones in the campus ring.

FROM THE PRINCIPAL'S DESK

It is our pride to welcome you all to Hiralal Mazumdar Memorial College for Women, a prominent and transformative College of North 24-Paraganas to grab the opportunity of higher education, as well as to enrich your knowledge by getting entry in certificate/add-on and value-added courses. Multiple entries and certificates as approved and affiliated under West Bengal State University will help you to combat the challenges of the global job market. HMMCW compassionately works to empower women belonging to minority sections, SC, ST, OBC and other underprivileged communities.

The College is affiliated to West Bengal State University, Barasat, a university with strong academic zeal. The West Bengal State University is continuously trying to incorporate its units, i.e. the Colleges in its decision-making process. NAAC's reaccreditation (3rd Cycle) in 2023 with an A+ grade has elevated the College with potentiality in the minds of the local population, as well as in the environment.

Embraced by nature's beauty, best owed with tranquillity, Hiralal Mazumdar Memorial College for Women is the epitome of knowledge, virtue and righteousness. The College is taking small steps with all sincerity, dedication, determination and devotion to herald an academic atmosphere to facilitate pedagogic learning yoked to the practical application of said learning in different vistas of life.

The College aims at training young women to be leaders in all walks of life, who we hope will play a vital role in bringing about the desired change for the betterment of the people of our country. I am convinced that the joint endeavour of all members of the Governing Body, IQAC, all the staff and stakeholders, guardians, parents and most importantly West Bengal State University would shoulder the responsibility to ascertain a brighter future for the College and its students.

The strength of our college is its staff; both teaching and non-teaching, whose commitment and dedication have made a difference in the lives of the students leading them to become socially conscious and responsible citizens of the country.

The College library has more than 19,000 books to provide academic support to the students. The NLIST and NPTEL programmes facilitate the opportunity of e-learning to its students. It is an opportune moment to acknowledge the contribution of Sri

Sarada Math, Rasik Bhita, Professor Ashok Mukhopadhyay, former Netaji Subhas Chair Professor of Calcutta University, P. C. Chandra Group, staff and students for their generous contribution of books and financial aid to the library. The Book Bank facility in the library is an added advantage for students belonging to the low-income groups and first-generation learners.

The system of periodic teacher evaluation done by the students, regular parent-teacher meetings, regular academic audits by the Academic sub-committee and IQAC and the internal monitoring mechanisms for the teachers and administration of the College a few regulating mechanisms through which the academic ambience is sustained.

Our college is one which truly inspires excellence and makes a world of difference. “Change yourself to change the world” and therefore choose this College for your ward.

Dr. Soma Ghosh
Principal

INTRODUCING HIRALAL MAZUMDAR MEMORIAL COLLEGE FOR WOMEN

Hiralal Mazumdar Memorial College for Women, an institution dedicated for the empowerment of women, was founded by Biswarup Sevashram Trust in 1959, with the primary objective of providing University Education in a congenial atmosphere for deserving students irrespective of religion, caste and creed. It started functioning on 10th day of August, 1959 with just few students on the rolls in the undergraduate general courses of Bengali, English, Economics, History, Sanskrit, Political Science and Philosophy.

Today, there are 1326 students on roll in odd semesters studying in 27 U.G courses, out of which 18 U.G courses are taught as MAJOR (Honours) courses, three streams (Arts, Sciences and Commerce) and 21 Programmes. The College is now offering 36 special certificate/Add-on/Value added Courses to prepare students for global job market.

At present, 111 teaching staff members out of which 30 hold doctoral degree. There are 26 non-teaching staff in service, 04 security personnel for constant vigilance. Hiralal Mazumdar Memorial College for Women received full statutory recognition in 1999 by Government of West Bengal and came out of the control of Trust rule. The College was initially affiliated to University of Calcutta; since 2008 the College affiliation had been shifted to West Bengal State University, North 24-Parganas, Barasat. Though affiliated, the College leaves no stone unturned to frame its own course of action for academic upgradation and adopt innovative methods of teaching and evaluation.

UGC conferred the 2f and 12B status to the College in due course and the College is constantly trying to follow the path of excellence.

NAAC's re-accreditation score in 2023 (Third Cycle) is 3.33 CGPA (A+), which is a steep elevation from its previous status B++ and since then the prime moto of the College is to work harder to help the students evolve into competent, committed, creative and compassionate women with a bright future for their own and for the nation.

College Research Development Cell, Incubation centre, Institutional Innovation Council, Equal Opportunity Cell are trying their best to transform the College into a vibrant knowledge hub.

OUR PHILOSOPHY

In tune with the global education development agenda – ‘Goal 4 (SDG4) of the 2030 Agenda for Sustainable Development’, adopted by India in 2015, our college seeks to “ensure inclusive and equitable quality education and promote lifelong learning opportunities to all. Along that line the College aims at grooming young women to be leaders in all facets of life, so that they can play a vital role in India’s continued ascent, and leadership on the global platform in terms of economic growth, social justice and equality, scientific innovation and vigour, national integration, and preservation of Indian heritage. Providing equitable access to quality education is the key to our philosophy, which we feel to be the best way for developing and maximizing the potentials of students’ talents and our resources to get space in the knowledge landscape of the nation as a whole. The growing demand for skilled work force, for knowledge hubs, technological assets on one hand and challenges of epidemics and pandemics, pollution, climate change, calamities, disasters etc. call for vibrant ideas, collaborative research, social activities for which our college is dedicating itself for multidisciplinary learning.

VISION AND MISSION

VISION

Tamaso **Mā** Jyotirgamaya
(From darkness, lead me to light)

Our college believes in the principle of the omnipresent, omniscient, and omnipotent power of the inner selves of its students. Its motto is Discipline, Dedication, and Determination.

The College aims to transform itself into a value-based nationally recognized institution ensuring academic excellence and nurturing research, innovation and entrepreneurial attitude. We wish to be recognized as a premier institution with the ability to blend quality pedagogy with devotion to community service. A vibrant academic and administrative environment conducive to the holistic development of students to transform them into valuable global citizens is our vision.

The College upholds the values of social justice, diversity and inclusiveness, and thus works to sensitize students to become creative and responsible citizens. The power of knowledge inspires young minds to work with optimism and resilience in the pursuit of their goals. The institution prepares students to identify their strengths and weaknesses and face the challenges as opportunities. Hiralal Mazumdar Memorial College for Women shall continue to prepare its students with the self-confidence, skills and competencies enabling them to enter the global job market with necessary intellectual potential and novel learning experiences. It shall continue to motivate young women to remain ethical, goal-oriented, and self-reflective. Supporting students to achieve full human potential, developing an equitable and just society, and promoting national development are visions.

Our activities are directed towards global competence to achieve excellence and ensure quality education. The institution always tries to elevate the status of the College to a position of reputation and it also inculcates discipline, dedication and determination in our students. The College tries to bridge the rural-urban divide and cater to the needs of minority students by ensuring enhanced facilities and services towards academic excellence and creating opportunities for better placement.

MISSION

**We want education by which character is formed,
strength of mind is increased,
the intellect is expanded, and
by which one can stand on one's own feet.**

--: Swami Vivekananda: --

- **Create an atmosphere of intellectual vigour and moral rectitude.**
- **Empower women to assert leadership roles in a global market**
- **Provide high-quality educational opportunities for achieving full human potential, developing an equitable and just society, and promoting national development**
- **Create a skilled workforce, in conjunction with multidisciplinary abilities across the sciences, social sciences, humanities and commerce**
- **Enhance access and inclusion in higher education, including digital training**
- **Encourage innovative thinking driving towards sustainability**
- **Provide a scope of holistic learning**

We have embarked upon the mission to strengthen the teaching–learning process through innovative practices to stimulate the spirit of scientific enquiry and discovery in academics. With limited infrastructure and excellent academic resources, the College aims to foster an academic ambience. The College seeks to train students in entrepreneurial and life skills to enhance their employability. Beside through diverse activities we seek to strike cohesion between staff and students coming from different backgrounds and with the objective of sustainable development and a better future.

FROM THE DESK OF IQAC

Hiralal Mazumdar Memorial College for Women, Dakshineswar amid several premier institutes in and around Kolkata, has emerged as a Centre of learning experience with a difference. Re-accredited as an A+ graded College in 2023 by NAAC 3rd Cycle. We are now striving for excellence and to elevate ourselves further. We aim to transform the institution into a hub of emancipation for the girls who flock to the campus from adjoining suburban and rural belts of Hooghly, Howrah and North 24-Parganas.

The idea of imparting education to the women folk of the was conceived more than six decades ago in 1959. The road ahead was bumpy, clouded with challenges; yet our zeal to strive for a noble cause continued unabated, with the dream of elevating the College at least to the state level. We embraced the ideals of discipline, determination and dedication as basic principles that would not only help students to spread the wings of their desire but also gradually guide us to the path of perfection with honesty, integrity and humility. Our mission is to educate, empower and emancipate in compliance to the needs of the society. We are keen on grooming students in application-oriented need-based learning to improve their cognizance beyond the norms of classroom teaching. A resourceful library equipped with technological facility and INFLIBNET, in addition to seminar libraries attached to each department is an added advantage for the academic pursuance of students. Organizing Seminars, both national and international, quiz contests, debates, “Saraswat Charchachakra”, an academic club are steps to sustain the academic ambience in the College. Principal of the College provides her sincere and able guidance to both the academic wing and the administrative wing and acts as the guardian of the beloved students. The teachers of the College are dedicated, sincere and cordial; they try to keep themselves available to meet the academic requirements of the students even after college hours. During COVID-19 Pandemic crisis teachers are trying hard to be in touch with their students through online mechanisms for academic and psychological relief.

With greetings,
Dr. Sonali Mukherjee Bandyopadhyay
IQAC Coordinator

CENTRAL LIBRARY

INTERNET IMPARTS INFORMATION. LIBRARY IMPARTS KNOWLEDGE

Librarian: Smt. Koyel Sengupta

To keep pace with the advancement of ICT coupled with the changing and diversified needs of its members, the Central Library is evolving from a traditional library to an automated modernized library. Being an academic library, it always aims to complement classroom teaching and aid self-learning process. Well trained and helpful library staff is available for the purpose. There is a regular annual addition of books and the library collection is being updated with latest editions. Open-Source Library Management Software - Koha (Version 23.05.04) is used to provide automated library services.

LOCATION

The Central Library is located in the ground floor of the College building.

LIBRARY WORKING HOURS

For the rest of the criteria, candidates are requested to go through the Admission Regulation as posted under the Online Centralized Admission Portal.

MORE ABOUT THE NEW CURRICULUM AND THE FUNCTION OF OUR INSTITUTION

MAJOR AND MINOR DISCIPLINES

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline.

MULTIDISCIPLINARY COURSE (MDC)

All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category.

Categories	Multidisciplinary Courses from the following disciplines
1.	Life Sciences / Chemistry / Physics / Electronics / Geography
2.	Mathematics / Computer Science / Economics
3.	Journalism & Mass Communication
4.	Commerce
5.	Psychology / Sociology / Political Science / Philosophy / History / Education / Women Studies / Music

ABILITY ENHANCEMENT COURSE (AEC)

Students are required to achieve competency in a modern Indian language and in the English language with special emphasis on language and communication skills. These courses aim at enabling the students to acquire and demonstrate core linguistics skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently.

SKILL ENHANCEMENT COURSE

These courses are aimed at imparting practical skills, hands-on-training, soft skills to enhance the employability of the students.

VALUE ADDED COURSE

These are courses that will help develop all capacities of human beings – intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Each of these courses carries 3 credits.

INTERNSHIP

The internship is intended to provide opportunities for students to actively engage in on-site experiential learning. The student has the option to complete a 2-credit summer internship in a lab, industrial organization, R & D lab, or through community engagement, NSS, NCC as organized by the college. The student must complete a 2-credit summer internship by his/her 5th semester of study. Our college provides the best of the options in this respect in association with top NAAC-rated Colleges and esteemed Institutions.

CREDIT HOURS FOR DIFFERENT TYPES OF COURSES

- The workload relating to a course is measured in terms of credit hours.
- Each course may have only a lecture component or a lecture and tutorial component or a lecture and practicum component or a lecture, tutorial, and practicum component, or only a practicum component.
- Per week a one-credit course in practicum or lab work, community engagement and services, and fieldwork in a semester mean two-hour engagement. In a semester of 15 weeks duration, a one-credit practicum in a course is equivalent to 30 hours of engagement.
- A one-credit of Seminar or Internship or Field practice/project or Community engagement and service means two-hour engagements per week. Accordingly, in a semester of 15 weeks duration, one credit in these courses is equivalent to 30 hours of engagement.
- A course can have a combination of lecture credits, tutorial credits, and practicum credits.
 - **Lab- based Subject**
Theory-3 credits (45 Hours); Practical-2 credits (30x2=60 Hours), Tutorial-1 credit (15 Hours).
 - **Non Lab- based Subject**
Theory-4 credits (60 Hours); Tutorial-1 credit (15 Hours), Field Work-1 credit (30 Hours).

DURATION OF THE PROGRAMME

The duration of the UG programme (Honours) is 4 years or 8 semesters. Students who desire to undergo a 3-year UG Programme will be allowed to exit after completion of the 3rd year. Students may be permitted to take a break from the study during the period of study but the total duration for completing the programme shall not exceed 7 years. The duration of Multidisciplinary UG Programme is 3 years.

SWAYAM COURSES

The University may allow up to 20% of the total courses being offered in a particular program in a Semester through the online learning courses offered through SWAYAM platform. However, the candidate will have to seek permission from the university, if she wants to replace regular class teaching with SWAYAM course. Swayam courses will

be allowed only for SEC, MDC and VAC but not for Major and Minor disciplines.

QUALIFICATION LEVELS AND CREDIT REQUIREMENTS

For 4 years UG Honours minimum credit requirement is 180, whereas, for 3 years multidisciplinary programme the minimum credit requirement is 125.

POST- ADMISSION STIPULATIONS

The college has the freedom to hold any number of tests and examinations of their own students in the form of class tests or preparatory tests or open-book tests whatever may be required for the betterment of the students.

It is expected that the semester examinations will be held every six months as per the academic calendar which will be duly intimated in advance by the University.

- Academic Calendars and Academic monitors are prepared by every department to ensure academic accuracy and accountability. Under the supervision of Academic subcommittee academic accounting is done on regular basis to assure quality in transmission of knowledge to the students. Completion of syllabus by the faculty members within the stipulated time and continuous evaluation, remedial classes and classes for the advanced learners are scheduled to upgrade the quality of teaching learning. Internal examinations are also mentioned before the commencement of the academic session.

RE-ADMISSION

In case of discontinuation of Studies, the candidate concerned can be permitted only fresh admission with the issuance of new Registration (in cancellation of the earlier registration) after submission of an affidavit from a 1st class Judicial Magistrate that he/she has not taken admission under any other University/Institution in the intervening period. All such 15 cases of fresh admission have to be preceded with the cancellation of earlier registration. For all such re-admission the provisions of this regulation in consonance with the Act and Statute of the University and the guidelines issued by the West Bengal Higher Education Council from time to time should be followed. However, after an exit at the end of the 3rd year after completion of stipulated 6 semesters, the candidate will not have to re-register if he wants to complete the course within 7 years from the date of exit.

COLLEGE TRANSFER

Transfer of candidates from one affiliated college to another will be possible as per the provisions laid out in the regulation of NEP 2020 based CCFUP system which will be in force at the relevant time. However, in all cases such transfers will be effected after due approval of the application of the candidate concerned along with requisite non-refundable fees to the University administration without contravening the provisions of the Regulation in force. ***All applications for transfer have to be made to the University authority within 30 consecutive days of commencement of the relevant semester. The applications must also contain the attendance of the student in that semester.*** The University reserves the right to approve or reject

such applications of transfer and it cannot be treated as a matter of right on behalf of the applicant concerned.

CO-CURRICULAR ACTIVITIES

National Service Scheme (NSS)

The National Service Scheme is one of the best service programmes initiated by the Ministry of Human Resource and Development, Govt. of India for student community in Social Services under the guidance and leadership of social workers. The National Service Scheme was launched by the Govt. of India just after independence embraces variety of colourful activities meant for the student community in particular and for the upliftment of the society in general. As a result both the student community and the society as a whole are highly benefited.

The overall aim of National Service Scheme is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The cardinal principle of the NSS programme is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation-building. NSS Students have to understand the community in which they work and recognize themselves in relation to their community. They have to utilize their knowledge in finding practical solutions to individual and community problems. NSS volunteers have to acquire leadership qualities and a democratic attitude to develop the capacity to meet emergencies and natural disasters and practice national integration and social harmony. Service to mankind in society is a concept from time immemorial. People cooperate and help each other in one or the other way in their day-to-day life. The motto or watchword of the National Service Scheme is: 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society as a whole.

UNNAT BHARAT ABHIYAN (UBA)

Unnat Bharat Abhiyan is an initiative launched by the Central Government of India with the aim of transforming rural India and bridging the urban-rural divide. Launched in 2014, this ambitious program seeks to engage higher education institutions across the country in the comprehensive development of rural areas. The College, in tune with the primary objective of Unnat Bharat Abhiyan has identified the development challenges faced by rural communities and thus within its limited capacity has taken an oath to promote sustainable technologies, and improve the quality of life for rural residents of Rajarhat. Under this initiative, the College has adopted villages and has taken steps to collaborate with local stakeholders to devise innovative solutions, provide technical assistance, and implement development projects that cater to the specific needs and aspirations of rural communities, though within the limit of academic jurisdictions; through the Unnat Bharat Abhiyan college wishes to play a crucial role in fostering inclusive and equitable development, empowering rural populations, and creating a sustainable and prosperous rural India. The five villages adopted by the Hiralal Mazumdar Memorial College for Women, Kolkata are **Bishnupur**, **Basina**, **Dharsamokktarpur**, **Mohammadpur**, and **Jamalpara** of Rajarhat block , district North 24 Paraganas.

Co-ordinator UBA: Dr. S Rehan Ahmad

RESEARCH AND DEVELOPMENT CELL (RDC)

The National Education Policy (NEP) 2020 plans to encourage high-calibre research inside the system of higher education. In order to improve the quality of education provided by higher education institutions (HEIs), research and innovation are crucial components. Only a strong and thriving higher education ecosystem with a focus on research, innovation, and technology development can address the societal concerns facing our nation. The College had its own Research Sub-Committee since 2016, which was working under the able leadership of its convener, Dr. Lipika Mullick. Budgetary allocation was also there to provide seed money to the teachers. After UGC announcement this committee has been upgraded into **Research and Development Cell (RDC)** to promote the goals of empowerment and enlightenment. RDC, HMMCW, Kolkata provides seed money to faculties and students to carry out primary research activities in order to foster research and innovation skill. In order to promote innovation, RDC, HMMCW, Kolkata assists inventors by paying the patent filing fee. It encourages innovations so as to enable our nation to become more vibrantly developed.

Convener RDC: Dr. Lipika Mullick

Joint-Convener RDC: Dr. Madhushri Das

Joint-Convener RDC: Dr. S Rehan Ahmad

INTELLECTUAL PROPERTY RIGHTS CELL (IPR)

The Intellectual Property Rights (IPR) Cell at HMMCW, Kolkata plays a pivotal role in organizing a multitude of seminars and webinars throughout the year. These events serve as platforms to disseminate knowledge, raise awareness, and foster discussions on various aspects of intellectual property, including invention, innovation, and related legal frameworks. The IPR Cell at HMMCW strives to create an environment that promotes and nurtures creativity and invention among students and faculty members. In addition to organizing seminars and webinars, the cell also maintains several activities related to the invention, such as workshops, training programs, and interactive sessions. These initiatives aim to educate participants about the importance of intellectual property protection, the process of patenting inventions, and the potential commercialization opportunities that can arise from innovative ideas. The IPR Cell at HMMCW in Kolkata serves as a valuable resource and catalyst for fostering a culture of invention and intellectual property awareness within the academic community.

INDIAN KNOWLEDGE SYSTEM

The history of the Indian knowledge system is extensive and diversified, spanning thousands of years. It includes a wide range of academic disciplines, such as philosophy, literature, the arts, physics, math, and medicine. Our college focuses on several important facets of the Indian knowledge system, including:

1. Ancient literature: The Vedas, Upanishads, Bhagavad Gita, and other philosophical and religious literature serve as the foundation for the Indian knowledge system. These texts, which cover a wide range of topics and offer insights into human behaviour, ethics, and spirituality, are kept in our collection in the library.

2. **Guru-Shishya Tradition:** In the past, the faculties passed on information through a connection between a guru (teacher) and a shishya (disciple). This close connection made it possible to provide personalised training, mentorship, and knowledge transfer. The guru not only imparts knowledge but also guides the shishya in their overall development.

3. **Holistic Approach:** The system adopts a holistic approach that incorporates numerous facets of human life, including the physical, mental, emotional, and spiritual components. By providing a variety of courses linked to yoga, well-being, art and crafts, etc., our institution emphasises the significance of balance and harmony in all parts of life while also acknowledging the connections between many fields of knowledge.

4. **Oral transmission and tradition:** Early Indian culture relied heavily on oral transmission of information from one generation to the next. Texts were memorised and recited as part of this oral tradition to ensure their continuity and preservation across time. Through the organisation of debates, student seminars, workshops, webinars, and other events, the college guarantees to uphold the tradition.

5. **Scientific and mathematical contributions:** The Indian knowledge system has significantly advanced disciplines like mathematics, astronomy, medicine, and metallurgy. Algebra, the decimal system, and zero are examples of notions that ancient Indian mathematicians created. The writings of physicians like Charaka Samhita and astronomers like Aryabhata have had a lasting influence. The college intends to provide IKS-related courses through its Research and Development Council in near future.

6. **Diversity and Pluralism:** The Indian knowledge system acknowledges and embraces diversity, enabling various philosophical viewpoints and schools of thought to coexist. With this diverse philosophy, our college has established a culture of discussion, debate, and tolerance, encouraging intellectual development and intercultural understanding.

7. **Continuity and Adaptation:** The Indian knowledge system has shown resilience and adaptability throughout the ages, despite numerous difficulties and influences. As a result of this system, the institution continues to develop, absorb, and apply fresh concepts, theories, and technological advancements into its strategic planning while holding fast to its core values and beliefs.

The Indian knowledge system is currently changing and adjusting to meet the demands of the contemporary world. It includes both conventional and modern methods, making

an effort to combine Indian wisdom with Western technological developments. Our institution works to deliver high-quality education that integrates conventional wisdom and cutting-edge knowledge, stimulating innovation, creativity, and critical thinking, and assisting in the intellectual growth and development of both people and society at large.

PSYCHOLOGICAL COUNSELLING CELL

The Psychological Counselling Cell of our college started its journey in 2015 with the aim to provide support to the college students to deal with their academic and non-academic issues. The counselling sessions are conducted by RCI registered teacher-counsellors of the college on the basis of prior appointment. Students avail the facility of psychological counselling to overcome their academic challenges, career related and personal issues like social anxiety, specific phobia, neurodevelopmental issues and body image concerns and many more. For some serious cases, further referral services are provided. The Psychological Counselling cell extends its guidance to the students to cope up with the challenges in a positive way so that they can utilize their inner potentials to the fullest and function as productive members of the society at large.

Dr. Rajasree Chakraborty
Coordinator of Psychological Counselling Cell

STAFF DEVELOPMENT PROGRAMME

The institute houses several Staff Development Programmes for professional development and skill enhancement of the staff. Collaborative workshops and Administrative Training Programmes had been organized on varied topics like:

- Data Management of Examination and Accounts Section
- Handling of Scholarship portal
- Handling of Website for New Admission
- Data management for NAAC
- Data management for NAAC specific to AQAR and SSR
- Training Programme (AIMES – Academic Institute Management Enterprise Solution)

- Faculty Development Programme (CAS and Academic Administrative Quality Improvement Measures)
- NTS Orientation Programme on Preparation of NAAC
- Preparing for PAC and NAAC
- Hands–On Training on Digitalization of documents for Preparedness for NAAC
- Basic English and Basic Computer Courses for NTS

These type of workshops and trainings provide a conducive learning environment and widen the knowledge base of the participants.

COLLABORATIVE ACTIVITIES (MOU)

The college has active MOUs with several institutions which provide an excellent platform for Faculty and Student exchanges. Various conferences and workshops are organised jointly with the objective of preparing students, alumnae and other interested aspirants for competitive examinations. Apart from these, various courses like FDP, SDP, certificate courses, skill development trainings are also organised where eminent faculties and professional experts visit to enrich students and staff by enhancing their academic and profession skills. Emphasis is being given on development of joint research activities; while implementing the matters related to Research, Research scholars and Research Guides of collaborative institutions. This is the call of the hour for implementation of NEP 2020 curriculum. The institutions will follow the rules and regulations of the Government and the affiliating Universities as and where applicable. Industry based collaborations will provide internship opportunities. Value added courses and Skill enhancement courses will also be conducted on a regular basis in tune with the NEP curriculum. The college is strengthening the Incubation Centre for skill development / enhancement and for preparing future entrepreneurs. To motivate students for self-employment different programmes/seminars are being jointly organised by the collaborative institutions. Collaborative endeavour to create a good effective and dependable relation of the institution with its social community by strong effective need-based outreach activities of the college NSS, NCC and Social Outreach Cell. Joint efforts to motivate the students to participate in various co-curricular and extracurricular activities like sports, research projects, festivals, cultural programmes, academic events and other competitions like elocution, debate, poster competition, essay writing etc. for better attainment of programme outcome and course outcome is among the strategic plans of the College policy making body to attain the goal of students' progression.

No. F. 1-21/2009 (Anti Ragging)

NOTICE

March, 2012

In pursuance to the Judgment of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No. 887/2009, the University Grants Commission has framed "UGC Regulations on curbing the menace of ragging in higher educational Institutions. 2009" which have been notified on 4th July, 2009 in the Gazette of India. These regulations are mandatory for Universities/Institutions. The UGC has made it mandatory for all students / parents to submit anti ragging related affidavits to the institutions at the time of admission. **Now it is brought to the notice of all Universities, Institutions, Students and Parents that these affidavits can be downloaded from the web site of UGC and or related other web sites.**

The Hon'ble Supreme Court of India Judgement
The Supreme Court of India Order May 2007
(Based on Raghavan Committee Recommendations)
[Reproduced verbatim from the Supreme Court of India Website]

ITEM NO. 33
COURT NO. 4
SECTION XIA

**SUPREME COURT OF INDIA
RECORD OF PROCEEDINGS**

An elaborate report has been submitted by the Committee headed by Dr. R.K. Raghavan. According to the Committee, the following factors need to be focused to tackle with the problem:

- a. Primary responsibility for curbing ragging rests with academic institutions themselves.
- b. Ragging adversely impacts the standards of higher education.
- c. Incentives should be available to institutions for curbing the menace and there should be disincentives for failure to do so.
- d. Enrolment in academic pursuits or a campus life should not immunize any adult citizen from penal provisions of the laws of the land.**
- e. Ragging needs to be perceived as failure to inculcate human values from the schooling stage.
- f. Behavioural patterns among students, particularly potential 'Raggers', need to be identified.**
- g. Measures against ragging must deter its recurrence.
- h. Concerted action is required at the level of the school, Higher Education institution, District administration, University. State and General Governments to make any curb effective.
- i. Media and the Civil Society should be involved in this exercise.**

The Committee has made several recommendations. **For the present, we feel that the following recommendations should be implemented without any further lapse of time.**

1. The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents
2. Every single incident of ragging **where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report must be filed** without exception by the institutional authorities with the local police authorities. Any failure on the part of the institutional authority or negligence or deliberate delay in lodging the FIR with the local police shall be construed to be an act of culpable negligence on the part of the institutional authority. If any victim or his parent/guardian of ragging intends to file FIR directly with the police, that will not absolve the institutional authority from the requirement of filing the FIR.
3. **Courts should make an effort to ensure that cases involving ragging are taken up on a priority basis** to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness.
4. In addition, we direct that the possibility of **introducing in the educational curriculum a subject relating to ragging** shall be explored by the National Council of Educational Research and Training (NCERT) and the respective State Council of Educational Research and Training (SCERT). This aspect can be included in the teaching of the subjects "Human Rights".
5. In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution.
6. The Central Government and the State **Governments shall launch a programme giving wide publicity to the menace of ragging and the consequences which follow in case any student is detected to have been involved in ragging.**
7. It shall be the **collective responsibility of the authorities and functionaries of the concerned institution** and their role shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken; for example, denial of any grant-in-aid or assistance from the State Governments.
8. **Anti-ragging committees and squads shall be forthwith formed by the institutions** and it shall be the job of the committee or the squad, as the case may be, to see that the Committee's recommendations, more particularly those noted above, are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of this Court.
9. The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the anti-ragging committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.
