में उत्तर चौबीस परगना के एक प्रमुख और परिवर्तनकारी महाविद्यालय ‘हीरालाल मजूमदार मेमोरियल कॉलेज फॉर वीमेन’ में आपका स्वागत करती हूँ। ‘हीरालाल मजूमदार मेमोरियल कॉलेज फॉर वीमेन’ एक महिला महाविद्यालय है जिसकी स्थापना स्वर्गीय अमृतलाल मजूमदार ने अपने बेटे श्री हीरालाल मजूमदार की याद में की थी, जिनका कम उम्र में स्वर्गवास हो गया था। इस महाविद्यालय ने 10 अगस्त 1959 को अपनी यात्रा की शुरुआत स्थानीय लड़कियों के लिए उच्च शिक्षा के अवसर प्रदान करने के प्राथमिक उद्देश्य के साथ की, चाहे वह किसी भी जाति, धर्म या पंथ से हों। इस महाविद्यालय में 27 सामान्य और 18 ओनर्स का पाठ्यक्रम प्रदान किया जाता है। इसके साथ साथ कम्प्यूटर साक्षरता, बी.कॉम जनरल कोर्स, हिंदी और सर्टिफिकेट कोर्सेस भी शुरू किए गए हैं। आज महाविद्यालय को कमरहाटी निर्वाचन क्षेत्र और उसके आस-पास के इलाके में अल्पसंख्यक वर्ग की महिलाओं के लिए उर्दू (ओनर्स), हिंदी और उर्दू (सामान्य) दोनों के पाठ्यक्रम उपलब्ध कर पाने में सक्षम होने पर हर्ष है।

यह महाविद्यालय पश्चिम बंगाल राज्य विश्वविद्यालय बारासात से सम्बद्ध है। यह विश्वविद्यालय मजबूत शैक्षणिक उत्साह के साथ आगे कदम रख रहा है। भारत के कई अन्य विश्वविद्यालयों की तुलना में पश्चिम बंगाल राज्य विश्वविद्यालय अपनी इकाइयों अर्थात् महाविद्यालयों को अपने निर्णय लेने की प्रक्रिया में शामिल करने के लिए लगातार कोशिश कर रहा है। 2016 में (NAAC) द्वारा B++ ग्रेड की मान्यता ने स्थानीय आबादी के साथ साथ महाविद्यालय के परिवेश में भी एक नया विश्वास उत्पन्न किया है। प्राकृतिक सौन्दर्य से परिपूर्ण और शांत वातावरण के साथ श्रेष्ठ गुणों से युक्त ‘हीरालाल मजूमदार मेमोरियल कॉलेज फॉर वीमेन’ ज्ञान, गुण और न्याय परायणता का प्रतीक है। हमारा महाविद्यालय ईमानदारी, समर्पण, दृढ़ संकल्प व श्रद्धा के साथ छोटे छोटे कदम उठा रहा है। शैक्षणिक माहौल को विकसित और आसान बनाने के लिए जीवन के अलग अलग क्षेत्रों में उच्च शिक्षण के व्यावहारिक अनुप्रयोग की सुविधा दी गई है।

महाविद्यालय का उद्देश्य युवा महिलाओं को जीवन के हर क्षेत्र में प्रगति करवाना है जो हमारे देश के लोगों की उन्नति में वांछित बदलाव लाने में महत्वपूर्ण भूमिका निभायेंगे। मुझे विश्वास है कि संचालक मंडल (Governing Body), IQAC के सभी सदस्यों, सभी हितधारकों, अभिभावकों, माता-पिता और सबसे महत्वपूर्ण रूप से पश्चिम बंगाल राज्य विश्वविद्यालय के संयुक्त प्रयास से महाविद्यालय और उसकी छात्राओं के लिए एक उज्ज्वल भविष्य निश्चित होगा।

Re-accredited as a B++ graded College in 2016 by NAAC. We are now striving for excellence and to elevate ourselves further. We aim to transform the institution into a hub of emancipation for the girls who flock to the campus from adjoining suburban and rural belts of Hooghly, Howrah and North 24-Parganas.

The idea of imparting education to the women folk of the was conceived more than six decades ago in 1959. The road ahead was bumpy, clouded with challenges; yet our zeal to strive for a noble cause continued unabated, with the dream of elevating the College at least to the state level. We embraced the ideals of discipline, determination and dedication as basic principles that would not only help students to spread the wings of their desire but also gradually guide us to the path of perfection with honesty, integrity and humility. Our mission is to educate, empower and emancipate in compliance to the needs of the society. We are keen on grooming students in application-oriented need-based learning to improve their cognizance beyond the norms of classroom teaching. A resourceful library equipped with technological facility and INFLIBNET, in addition to seminar libraries attached to each department is an added advantage for the academic pursuance of students. Organizing Seminars, both national and international, quiz contests, debates, “Saraswat Charchachakra”, an academic club are steps to sustain the academic ambience in the College. CO-CURRICULAR ACTIVITIES NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme is one of the best service programmes initiated by the Ministry of Human Resource and Development, Govt. of India for student community in Social Services under the guidance and leadership of social workers. The National Service Scheme was launched by the Govt. of India just after independence embraces variety of colourful activities meant for the student community in particular and for the upliftment of the society in general. As a result both the student community and the society as a whole are highly benefited.

The overall aim of National Service Scheme is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The cardinal principle of the NSS programme is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation-building. NSS Students have to understand the community in which they work and recognize themselves in relation to their community. They have to utilize their knowledge in finding practical solutions to individual and community problems. NSS volunteers have to acquire leadership qualities and a democratic attitude to develop the capacity to meet emergencies and natural disasters and practice national integration and social harmony. Service to mankind in society is a concept from time immemorial. People cooperate and help each other in one or the other way in their day-to-day life. The motto or watchword of the National Service Scheme is: 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society as a whole.

Activities by NSS

Reaching out to Hungry Souls: An Initiative by NSS and Social Outreach Unit of HMM College for Women, Dakshineswar 10th May 2020- What started as a small gesture towards the inmates of Nibedita Colony, has today taken gigantic steps. The NSS and Social Outreach units of HMM College for Women, Dakshineswar have left no stone unturned to feed the needy families inhabiting the large area under Bally Bridge in North 24 pgs. Under the leadership of Principal Dr. Soma Ghosh, Sri Madan Mitra, President

GB, and all the team members and the teaching and non-teaching staff the College has distributed food grains and other essential items to the inmates of Nibedita Colony in phases, in the wake of the Corona pandemic situation. Helped by the College teachers and donations from other dignitaries in the education field, the College has managed to feed the 70-odd families living under despicable conditions in the slum. Since most of the inmates there beg to strive for living or take part in flying jobs, the Corona pandemic has spelt doom for them. Daily wage earners are facing a tough time to make ends meet. In such conditions, HMMCW has come forward to help. From rice to pulses, puffed rice and potatoes to biscuits, the College has been donating constantly to meet the needs of the hour. The NSS unit of HMMCW has earlier made posters as part of the awareness campaign against the corona virus. The volunteers went to visit the households of the Nibedita Colony slum to raise awareness among the inmates- like washing hands with soap for 20 seconds, keeping the vicinity clean, and wearing masks. Masks were also distributed among the volunteers, teachers and non-teaching staff of the College as part of the awareness campaign. Principal Dr. Soma Ghosh has led from the front in helping these people, supported by her team of NSS and Social Outreach (under the tutelage of Dr. Pranam Dhar, PC, NSS, and WBSU), the Department of Zoology under Dr. Indrajit Biswas, as well as Sri Ashim Kumar Sinha. Apart from the internal members, mention can also be made of Smt. Shankari Bhowmick, ex-councillor, ward no. 14, Sri Santanu Palodhi, former Additional Director General, PIB under the ministry of information and Broadcasting who donated 1 quintal rice, 50 kgs of potatoes, 120 packets of biscuits and other miscellaneous items, Ms. Mitali Palodhi, nutritionist and national Vice President, of the Indian Dietetic Association Smt. Ibha Bhattacharya, Senior consultant Dietician, Dr. Nibedita Pal, Associate Professor, SNCW and others. The NSS Program officer, Dr. Sujata Mukhopadhyay, along with other Program Officers of the state attended 24 central meetings, both at the district as well the State level to apprise the government about the steps taken to combat the corona virus infection.

Hiralal Mazumdar Memorial College for Women, Dakshineswar was cited as a success story in both the district as well the state level of NSS meetings, headed by Dr. Sarita Patel, RD NSS, Dr. Ramaprasad Bhattacharya, JDPI, SNO, NSS, Dr. Basab Choudhury, ex-honourable Vice Chancellor, WBSU and Dr. Pranam Dhar, PC NSS WBSU.

Unnat Bharat Abhiyan is an initiative launched by the Central Government of India with the aim of transforming rural India and bridging the urban-rural divide. Launched in 2014, this ambitious program seeks to engage higher education institutions across the country in the comprehensive development of rural areas. The College, in tune with the primary

objective of Unnat Bharat Abhiyan has identified the development challenges faced by rural communities and thus within its limited capacity has taken an oath to promote sustainable technologies, and improve the quality of life for rural residents of Rajarhat. Under this initiative, the College has adopted villages and has taken steps to collaborate with local stakeholders to devise innovative solutions, provide technical assistance, and implement development projects that cater to the specific needs and aspirations of rural communities, though within the limit of academic jurisdictions; through the Unnat Bharat Abhiyan college wishes to play a crucial role in fostering inclusive and equitable development, empowering rural populations, and creating a sustainable and prosperous rural India. The five villages adopted by the Hiralal Mazumdar Memorial College for Women, Kolkata are Bishnupur, Basina, Dharsamokktarpur, Mohammadpur, and Jamalpara of district North 24 Paraganas.

Research Development Council (RDC)

The National Education Policy (NEP) 2020 plans to encourage high-calibre research inside the system of higher education. In order to improve the quality of education provided by higher education institutions (HEIs), research and innovation are crucial components. Only a strong and thriving higher education ecosystem with a focus on research, innovation, and technology development can address the societal concerns facing our nation. The College had its own Research Sub-Committee since 2016, which was working under the able leadership of its convener, Dr. Lipika Mullick. Budgetary allocation was also there to provide seed money to the teachers. After UGC announcement this committee has been upgraded into **Research and Development Council (RDC)** to promote the goals of empowerment and enlightenment. RDC, HMMCW, Kolkata provides seed money to faculties and students to carry out primary research activities in order to foster research and innovation skill. In order to promote innovation, RDC, HMMCW, Kolkata assists inventors by paying the patent filing fee. It encourages innovations so as to enable our nation to become more vibrantly developed.

Indian Knowledge System

The history of the Indian knowledge system is extensive and diversified, spanning thousands of years. It includes a wide range of academic disciplines, such as philosophy, literature, the arts, physics, math, and medicine. Our college focuses on several important facets of the Indian knowledge system, including:

1. Ancient literature: The Vedas, Upanishads, Bhagavad Gita, and other philosophical and religious literature serve as the foundation for the Indian knowledge system. These texts, which cover a wide range of topics and offer insights into human behaviour, ethics, and spirituality, are kept in our collection in the library.

2. Guru-Shishya Tradition: In the past, the faculties passed on information through a connection between a guru (teacher) and a shishya (disciple). This close connection made it possible to provide personalised training, mentorship, and knowledge transfer. The guru not only imparts knowledge but also guides the shishya in their overall development.

3. Holistic Approach: The system adopts a holistic approach that incorporates numerous facets of human life, including the physical, mental, emotional, and spiritual components. By providing a variety of courses linked to yoga, well-being, art and crafts, etc., our institution emphasises the significance of balance and harmony in all parts of life while also acknowledging the connections between many fields of knowledge.

4. Oral transmission and tradition: Early Indian culture relied heavily on oral transmission of information from one generation to the next. Texts were memorised and recited as part of this oral tradition to ensure their continuity and preservation across time. Through the organisation of debates, student seminars, workshops, webinars, and other events, the college guarantees to uphold the tradition.

5. Scientific and mathematical contributions: The Indian knowledge system has significantly advanced disciplines like mathematics, astronomy, medicine, and metallurgy. Algebra, the decimal system, and zero are examples of notions that ancient Indian mathematicians created. The writings of physicians like Charaka Samhita and astronomers like Aryabhata have had a lasting influence. The college intends to provide IKS-related courses through its Research and Development Council in near future.

6. Diversity and Pluralism: The Indian knowledge system acknowledges and embraces diversity, enabling various philosophical viewpoints and schools of thought to coexist. With this diverse

philosophy, our college has established a culture of discussion, debate, and tolerance, encouraging intellectual development and intercultural understanding.

7. Continuity and Adaptation: The Indian knowledge system has shown resilience and adaptability throughout the ages, despite numerous difficulties and influences. As a result of this system, the institution continues to develop, absorb, and apply fresh concepts, theories, and technological advancements into its strategic planning while holding fast to its core values and beliefs.

The Indian knowledge system is currently changing and adjusting to meet the demands of the contemporary world. It includes both conventional and modern methods, making an effort to combine Indian wisdom with Western technological developments. Our institution works to deliver high-quality education that integrates conventional wisdom and cutting-edge knowledge, stimulating innovation, creativity, and critical thinking, and assisting in the intellectual growth and development of both people and society at large.

Students avail the facility of psychological counselling to overcome their academic challenges, career related and personal issues like social anxiety, specific phobia, neurodevelopmental issues and body image concerns and many more. For some serious cases, further referral services are provided. The Psychological Counselling cell extends its guidance to the students to cope up with the challenges in a positive way so that they can utilize their inner potentials to the fullest and function as productive members of the society at large.
