(Sub:-Request for a career counselling session for apprising the students on "Career as a Company Secretary")

Dear Sir/Madam,

The Institute of Company Secretaries of India (ICSI) is a premier national professional body incorporated by an Act of Parliament (Company Secretaries Act, 1980) working under the jurisdiction of Ministry of Corporate Affairs, Government of India. For three decades, the ICSI has been playing a key role in the growth and development of the Indian Corporate Sector by producing a cadre of highly qualified Company Secretaries (CS) as corporate managerial professionals for efficiently and professionally managing the administrative, secretarial, legal as well as financial activities, thus enabling the unhindered growth of the corporate sector.

In the above backdrop we are keen to make the students community aware of the course so that they may consider their ideal choice in the selection of their professions from among many.

Yours is a renowned college and there is a lot of potential among your students. We shall be glad to present information through a career awareness session about the Company Secretary (CS) course and the profession to the students of your institution.

We will take ½ / 1 hour for our session and would like to interact with the students and apprise them about the course and profession and the opportunities to the students who complete the course.

We will be highly obliged if you kindly provide a time and date for our session at your school. A line of confirmation can be sent to Mr S.Sreejesh, Assistant Director at his mail id s.sreejesh@icsi.edu or you can contact him on 8820043049 for any further details.

Thanks & Regards,

DVNS Sarma,
Regional Director, ICSI EIRO

Date : 2 August 2018
Venue : Hiralal Mazumdar Memorial College for Women

A Career Counselling session was organised by our college for the students of B.A/B.Sc (Hons) General in collaboration with Times of India Group to highlight the career opportunities in the media houses and journalism. The spokes person delivered their presentation. They told that graduates from various streams choose careers in the media, cultural and creative industries. Areas of work include television and radio, film and video, digital media, computer games, journalism, writing and publishing, PR and media practice. The resource person gave some tips to Start Social Media Career. These are as follows:

1. Confirm Your Career Choice. Social media roles are often autonomous, and they can be unstructured and fluid due to the constantly changing nature of technology. ...
2. Be Aware. ...
3. Educate Yourself. ...
4. Learn on the Job. ...

The spokes persons also told that job with no experience is possible in media houses. They gave some suggestions for that as follows:

1. Look for internships and apprenticeships. If you're struggling to find an employer that'll give you a shot at a long-term or permanent position, internships and apprenticeships are great ways to gain that much-needed experience. ...
2. Start volunteering. ...
3. Build your networks. ...
4. Emphasise the skills you have. ...
5. Target realistic roles.

Now a days various types of jobs are offered by the media house like:

- Media planner.
- Multimedia specialist.
- Programme researcher, broadcasting/film/video.
- Public relations officer.
- Runner, broadcasting/film/video.
- Social media manager
