

WEST BENGAL STATE UNIVERSITY
B.Sc. Honours 5th Semester Examination, 2021-22

ZOOACOR11T-ZOOLOGY (CC11)

Time Allotted: 2 Hours

Full Marks: 40

*The figures in the margin indicate full marks.
Candidates should answer in their own words and adhere to the word limit as practicable.
All symbols are of usual significance.*

1. Answer any **eight** questions from the following: 2×8 = 16
- What are ligases?
 - What is Chargaff's rule?
 - What is hypsochromic shift?
 - What is the role of cAMP in lac operon?
 - Define sense and antisense strands of DNA in view of transcription.
 - Distinguish between leading and lagging strands in respect of DNA replication.
 - What is Shine-Dalgarno sequence?
 - Distinguish between nucleoside and nucleotide.
 - What is the function of anticodon loop of tRNA?
 - What is hnRNA?
 - What is the function of SSB protein?
 - Why replication cannot occur without a primer?
2. Answer any **three** questions from the following: 3×3 = 9
- Write the steps in the initiation of translation in prokaryotes. 3
 - Briefly describe the process of proofreading in prokaryotes DNA replication. 3
 - Mention the steps by which mRNA is converted into cDNA. 3
 - What is DNA sequencing? Write the advantages of Sanger DNA sequencing method. 1+2
 - Write the names and function of DNA polymerases involved in prokaryotic replication system. 3

3. Answer any **three** questions from the following: 5×3 = 15
- (a) What is Wobble hypothesis and code degeneracy?
 - (b) Discuss the process of attenuation in trp operon and state how it controls the tryptophan synthesis in *E. coli*.
 - (c) What is TATA-box? What do you mean by rho-dependent termination of transcription?
 - (d) What are the salient features of Watson and Crick model of DNA? Give suitable diagram.
 - (e) Explain the PCR technique.

N.B. : *Students have to complete submission of their Answer Scripts through E-mail / Whatsapp to their own respective colleges on the same day / date of examination within 1 hour after end of exam. University / College authorities will not be held responsible for wrong submission (at in proper address). Students are strongly advised not to submit multiple copies of the same answer script.*
